

## I Care (Isaiah 46: 3-13)

I have been with you since you were born  
And carried you on My arm,  
So do not build your idols  
They can only bring you harm.  
They will rob and steal from you  
All that I can give.  
I will watch and care for you  
All the days you live.  
And as you walk along life's path  
Please hold this in your minds,  
Do not ever bow your knee  
To gods of other kinds.

I am your God. There is no other  
Do not bow down to any other.  
Your graven idols – don't compare,  
They cannot answer any prayer.  
I will deliver you, stay close to Me.  
Today, as you trust, I'll set you free.  
Where you have been broken, I will restore  
And you'll enjoy life so much more.
