

JUST A CARPENTER?

D *G* *D*
You're more than just a carpenter to me
G *A* *D*
You're more than just a man from history
G *A* *D* *Bm*
When I need some direction and the path's not clear to see
Em *A*
You're not a mystery, You are the way for me

D *G* *D*
You're more than just a carpenter to me
G *A* *D*
You're more than just the babe they came to see
G *A* *D* *Bm*
When lies have got my mind locked up and I can't find the key
Em *A*
You're not a mystery, You are the truth to me

Bridge

G *A* *D*
And when I need to put my trust in you
Em *A* *D*
You're always there to help and take me through
Bm *F#m* *G* *D*
When others let me down I know that you will still be there
Em *A* *A7*
Every day, just a prayer away

D *G* *D*
You're more than just a carpenter to me
G *A* *D*
You're more than just a man from Galilee
G *A* *D* *Bm*
When I am tempted to believe that death can set me free
Em *A*
You're not a mystery, You are the life in me

Repeat Bridge

D *G* *D*
You're more than just a carpenter to me
G *A* *D*
You're more than just a man hung on a tree
G *A* *D* *Bm*
When I could never meet the debt required to set me free
Em *A*
You were a friend to me, You paid the price for me

G *A* *D* *Bm*
When I was bound and shackled to a life of slavery
Em *A*
You broke the chains for me, You gave Your life for me
